

Finally, the cure for the common dust collector!

▶ Revive your dust collector with higher performance, longer lasting **Ultra-Web® cartridge filters** and **Dura-Life™ filter bags** from Donaldson. Now available in stock for other brands of cartridge collectors and baghouses, Ultra-Web® lasts up to 2x longer than commodity filters and Dura-Life™ lasts 2-3 times longer than standard polyester.

- ▶ **Higher Performance**
- ▶ **Double the life time due to innovative filter technology**
- ▶ **Fewer filter changes and reduced maintenance costs**
- ▶ **Energy savings and fewer emissions**

▶ As a manufacturer of dust collection and filtration systems we have comprehensive experience in the application of the **ATEX guidelines**. Our Donaldson service centers will provide you with quick and cost-effective **competent services** for all filtration applications from one source.
